A number of our sponsors & hosts may have participated in a very successful Mentoring Workshop delivered in July last year. The workshop was well received with comments from participants such as:

- 'Fantastic subject material'
- 'Information was very relevant'

IMPACT believes that the support provided to participants by supervisors during their Work for the Dole work experience is vital to the participant's success in sourcing future employment. Great supervision also has a major impact on helping participants' to develop confidence, motivation, communication skills and a range of relevant workplace skills that will lead them into employment.

IMPACT continues to support our sponsors & hosts by providing quality professional development opportunities and extends an invitation to our next **MENTORING WORKSHOP**
